

Bearnes Primary School

Bearnes School Newsletter
10th November 2017

Message from Head of School

The children of Bearnes Primary School are excited this week to be given their roles in this year's Christmas Production! Although they will be doing a lot of preparation and rehearsing in school, if your child has been given a hefty speaking part, please support them to learn their lines at home too!

Next week is anti-bullying week in school. Each class will be inviting parents in to participate in assemblies and workshops to showcase the school's attitudes and beliefs and to find out how we ensure that Bearnes is a happy place where your children can thrive. Look out for details from your child's teacher.

On Friday of next week school caterers ISS will be baking with groups of children so that we can sell cupcakes at the end of the day to raise money for Children in Need. Please support us in raising money for this wonderful cause by spending a few pennies and treating yourself to a cake at the end of the day!

Friday is also wear something spotty day. We are trying to raise money for children in need and are seeking donations of up to £1 per child.

Diary Dates:

Wednesday 15th November - parent event in Chestnut Class

Thursday 16th November – parent event in Sycamore and Oak classes.

Friday 17th November – Children in Need – dress up in spots, cake sale. Redwood parent event in class.

Stars of the Week

A huge well done to the four certificate winners this week – you are an inspiration to your peers!

Redwoods – Bethany
Sycamores – Wednesday
Chestnuts – Evan
Acorns and Oaks - Dragos

Attendance:

Redwoods: 97%
Sycamore: 97%
Chestnuts: 96.8%
Acorns and Oaks: 97%

Acorns and Oaks News

The children have had a very busy week. On Wednesday the children enjoyed their walk to Courtenay Park. They found lots of autumn treasures from pine cones to acorns to a variety of autumnal leaves. We have created an autumn discovery tray which will stay in our classroom for the next week.

Next week is Anti-bullying week and we will be hosting a class assembly on Thursday 16th November at 9.15am. The children will be talking about this year's theme "All different, all equal". We look forward to seeing you!

Chestnut News

It has been a fabulous week in Team Chestnuts!

The Year 2s are having a great time up at Hennock for their Natural Learning Lessons. The whole group cannot get over how lucky the children at Hennock are to have such a 'beautiful view!'

This week they made their own candle lamps from jam jars and leaves. They also created their own paints.

At school the whole class have been working incredibly hard on adding and finding a part of a whole.

Everyone is making a massive effort to work collaboratively with their partners and it is resulting in fantastic mathematical vocabulary being used!

Have a great weekend one and all and don't forget the minute silence on the 11th of November.

Sycamore News

Sycamores are becoming such confident mathematicians. We have been perfecting our column addition and subtraction methods and challenging ourselves to answer more complicated word problems. We have also seen much better spellings and times tables results recently so this is a real achievement and surely down to all the hard work the children put into their homework each day. Wednesday is our star learner this week and has made amazing progress this week. She has become so enthusiastic about her learning and keen to always do her best. Kye's comprehension skills have also improved and as a result is our Accelerated Reader champion. He deserves praise for achieving such high results throughout the last month – well done for your efforts!

Redwoods News

Redwoods have been exploring poetic techniques this week and are working hard to write their own versions of the poem 'The Raven'. Many of the children have shown a fantastic use of language and punctuation to create suspense and horror!

We are very excited about the upcoming events organised by Coombeshead. A number of children are off on English, photography and languages workshops next week, I can't wait to hear how they get on.

Well done to children who are consistently moving on in their spellings and timetables. Make sure you are working on these daily and return your folder to school on a Friday.
